

# Packmaster

The PackMaster Lo-Pro II is a personal and vehicle tracker for secure monitoring and communication in remote areas.

## Specifications

Weight:  
200 g

Operating Temperature:  
- 20°C to + 55°C

Battery Life:  
**4 days**  
(15 min position reporting)

The PackMaster Lo-Pro II allows your team to closely monitor movement in volatile or isolated work environments, giving you reliable oversight of your people and fleet globally via the Iridium satellite network.

Tracking and messaging are encrypted, and the device has a four day battery life.

We can also provide the PackMaster Lo Pro 'Touch' and 'Dual'.
